Correspondence of THE BES. ALBION, Neb., October 11 .- I have peen informed through the columns of our local papers, the News and Argus, "monops," (we have no other Wesver Miss E A papers) with a great flourish of trumpets that our senator, Saunders, Hon. Dawes, our prospective governor, and several others or the bread and butter brigade would address the the citizens of this county on the political issues of the day at 8 o'clock on the 10th of October, at Bronson's hall. We went at the time appointed, and on inquiry found that the eminent

personages had not put in an appear-We presumed they considered discretion the better part of valor and paving nothing good to say they staid at home. We must confess that we were considerably disappointed at not being able to hear the speakers instruct us about how to make a whistle

from a pig's tail. But, disappointed as we were, our sympathics were excited to an emineat degree for our "Brass Band," under the leadership of the "editor" of the News. They have been polish ing their instruments and practicing their little pieces for some time, and o! they did not get an opportunity of displaying their fealty to the "mopointed once. ALPHA.

Worthy of Praise. As a rule we do not reco mmend patent Medicines, but when we know of one that erally is a public Benefactor, and does ositively cure, then we consider it our duty to impart that information to all. Electric Bitters are truly a most valuable medicine, and will surely cure Biliousness. Fe er and Ague, Stomach, Liver and Kidney Complaints, even were all other remedies fail. *The great value of Mrs. Lydia E. Pinkham's Vegetable Compound for all diseases of women is demonstrated by every day experience. The writer of this had occasion to step into the principal Pharmacy of a city of 140,-000 inhabitants, and on inquiry as to which is the most popular proprietary medicine of the time, was answered, that Mrs. Pinkham's Vegetable Compound occupies a most conspicuous place in the front rank of all the remedies of this class now before the public. - Journal.
